

Returns & Cancellations Policy

Returns of Unwanted Goods

We will always do our best to accommodate any requests to return unwanted goods. In all cases listed below, you are required to have your original proof of purchase. Depending on the condition of the products or circumstances of the order cancellation, a handling charge of up to 50% may apply.

Stock Products:

If you wish to return a product that we normally carry in stock, which was correctly supplied at the time of order and is not faulty or damaged, we will accept it for full credit if it is in its original packaging or in a condition that we see fit for resale.

If the product is not in its original packaging or in a condition that we deem to not be fit for re-sale, we reserve the right to apply a handling charge or not to accept the goods for credit.

Non Stock Products:

Where the products have been specially ordered in, we will accept them for return, subject to the above conditions and whether the original supplier will accept them.

Cancelling an order for Non Stock Products.

Should you wish to cancel an order for goods that have been specially ordered in, there may be a handling charge. This may depend on our supplier's Returns Policy and whether the products have arrived.

Returning Products that have been Made To Order:

Where products have been specially manufactured to your specification, either by Bungalow & Villa or another supplier, it is unlikely that we will be able to accept them for credit. Please ensure that all details are correct when placing your order.

Cancelling an order for Made To Order Products:

Should you wish to cancel an order for products that are 'made to order', Bungalow & Villa reserve the right to apply a cancellation charge. The amount of this will depend on how far the order has progressed.
